Professional Summary

Passionate about leveraging technology to solve real-world problems, I am currently pursuing a Bachelor's degree in Information Networking and Telecommunications (Web and Mobile Application Development) from Fort Hays State University, set to graduate in December 2025. With an Associate's degree from South College and a web development certificate from UNC Charlotte Continuing Education, I bring expertise in IT consulting, web development, and tech training. As the Founder of AnchorTech Innovations, I am committed to creating innovative tech solutions and providing immersive training experiences. Rooted in faith, I uphold integrity, compassion, and excellence in all my endeavors. Open to new opportunities that align with my skills and values, I am eager to collaborate and contribute to the advancement of web development and IT services.
